

15 K RUN TO THE PORT JEFF BREWERY

Port Jefferson, NY

MILE MARK LOCATIONS & OTHER NOTATIONS

START: Surveyor's Nail and white painted "X" on the south side of East Broadway, 19'4" west of light pole at cross walk to ferry and a slight bent in East Broadway, next to the Steamroom Cafe and 11'10" west of a water plate in the sidewalk.

1 mi: On northside of Soundview Dr at the house opposite #98 Soundview (no number).

2 mi: North side of Sands Lane in line with the door to house #54 (before intersection with Peninsula Rd).

Running on Winston Dr & East Beach Access Road: Runners must stay left of cones placed on the center double line, and go to the left of the traffic circle. (There are feint reminders of the double center line on East Beach Access Road.) At East Beach, stay off of parking spaces and to the left of center.

3 mi: Next to the center line of Winston Dr, 11 meters west of the intersection with Waterview Dr.

5 km: Next to the center line of Winston Dr, 34 meters west of Rosita Dr.

Turnaround: Surveyor's Nail and white painted "X" at the east end of the parking lot of East Beach, 28'6" south of a corner in the curb and 20' south of expansion seam north of the asphalt apron. Set cones on a radius of 9' (running path is $r=10'$)

4 mi: West side of Waterview Dr at the north edge of the intersection with Stern Dr.

5 mi: South side of Oakwood Rd, 4 meters west of the house sign for house #416

6 mi: West side of Lookout Ridge, 4 meters north of Sawtooth Cove

10 km: Center of Lookout Ridge, midway between the two intersections with Timberline Circle.

7 mi: Center of Crystal Brook Hollow Rd; no reference points (except south of the guardrail and the downhill after the blind curve between Oakwood and Old Post Rd, E).

8 mi: South side of Pinetree Ct at the large oak tree surrounded by boulders in front of house #726.

9 mi: Southside of Thompson St at the Northwest corner of house #113.

FINISH: Surveyors Nail and white "X" is on the south side of Mill Creek Rd, next to a sewer plate, 5" north of the curb and 3'4" north of the corner of brick steps to the building opposite the entrance to the Port Jeff Brewery; 23'6" east of a drain in the middle of the street.
