WESTHAMPTON BEACH**

Backpacks For Fellow Students (BFFS), a 501(c)(3), created by an 11th grade Westhampton Beach High School Student, provides East End elementary school students a brand new backpack filled with all their required school supplies to start off the school year. The goal is to create a level playing field in the classroom no matter what the socio-economic status is, and maximize a child's opportunity for educational success. The hope is that with early intervention we can impact the lives of children by developing lifelong learners and ultimately contributing members of the community. Since its inception in 2012 BFFS has made available over 1000 backpacks to those community students most in need.
