

**16<sup>th</sup> Annual**  
**Sunday, May 21, 2017**  
 CORNER OF LIBERTY STREET & WEST STREET, NEW YORK CITY, N.Y.

This race is run in honor of all NYPD Officers who have died in the line of duty. There are more than 900 NYPD heroes whose names have been etched into the granite New York City Police Memorial Wall in Battery Park City. We gather yearly to honor these brave men and women who have made the ultimate sacrifice. After a short prayer at the wall there is a 5K Run/Walk (3.1 miles), followed by a great barbeque, Kids Fun Run and celebration.

Each year runners can designate which NYPD hero they are running in memory of. When filling out the online application select a hero you are running in memory of and their name will be displayed on your running bib. Visit our online registration page to see a list of every hero being honored. **Please come out with family and friends so we can make sure each one of our lost heroes are honored on a runner's bib.**

**ENTRY FEE:** (Includes Personalized Running Bib, Race Tee Shirt, Finisher's Towel & entry into Post Race Party) Yes all for \$30.
